

Higher Options (CBS 6th Years) Oct 13th 2021

The annual Irish Times Higher Options Virtual Education Event

Takes place for our 6th Years on Wednesday October 13th 2021, 12pm - 6pm.

All of our 6th Year students will be facilitated to attend this virtual event on October 13th. Each student will receive individual Log in details/an Access Code via his School email address, in advance of the date.

All information regarding the event and the *Schedule of Talks and Lectures* is available using the <https://higheroptions.vfairs.com/> link. Please note the FAQ's section and the Code of Conduct which is part of the Terms and conditions pertaining to the event.

It is very important that students Prepare and Plan for this event in advance. 6th Years, please ensure you attend as many Talks as possible from the schedule listed; organise yourself to 'visit' the Stands of interest to you; prepare any Questions you may have for the staff/lecturers at the various stands - please refer to the following Preparation & Planning document:

The Guidance Team are visiting the 6th Year classes again this week and will provide all necessary details to the students. Please contact Ms. Costello mc@naascbs.ie or Ms. Brophy ob@naascbs.ie should any further information be required.

Higher Options is the foremost annual education expo for second level students. The virtual event will provide all the information second level students will need to make good decisions about their further and higher level studies. They will be able to engage directly with representatives from universities, colleges and education institutions from Ireland, the UK, Europe and beyond. With a full programme of talks and live Q&A sessions, students will be able to get information about the great range of courses and apprenticeships on offer from the comfort of their classroom or home.

Kind regards,
The Guidance Team.
