

## **FAO: Leaving Certificate 2021 Students**

### **Apprenticeship- Logistics, QK Group, NAAS.**

I am enclosing information of a current open role in one of our Naas Businesses (QK Meats Ltd.). This may be of interest to some of the LC21 students.

This apprenticeship role is part of the Queally Group Apprenticeship Programme. The role is for a fixed term contract over two years with academic study (1 day per week) forming part of this role. The Logistics Associate Apprenticeship provides academic Education and practical training across the Freight, Logistics, Shipping and Distribution industries. The successful candidate will spend one day a week with Technological University Dublin (TU Dublin) for their academic studies. Completion of this programme will lead to a Level 6 Award on the National Framework of Qualifications.

For detailed information regarding the academic portion of the role please see <https://www.laa.ie/the-apprenticeship/>.

We will be interviewing next week & all LC students interested will be interviewed.

Interested students can forward their cv and optional cover letter directly to me.

Kind regards

Marie Reilly | Group HR Specialist
