

1. ESB apprenticeships 2021:

Applications for the ESB Network Apprenticeship Programme Open March 1st

Deadline for submissions is March 15th

Applications for the very popular ESB Network Apprenticeship programme will open at 3 PM on **Monday, March 1st**. ESB Networks will be recruiting for applicants as part of their Apprentice **Electrician/Network Technician** programme, to work with Ireland's electricity network. It's a brilliant opportunity to obtain a world-class qualification that gives you real-world experience of working on a national power network. The Apprenticeship programme is open to male and female applicants over the age of 16. Further Information via <https://www.esbnetworks.ie/careers/apprenticeships> and For Brochure https://www.esbnetworks.ie/docs/default-source/publications/apprentice-brochure-2020.pdf?sfvrsn=cd5405f0_16
