

LC CLASS of 2024 - CAO OFFERS

For those students of the Class of 2024 who have made CAO applications, Round One Offer(s) will be available online only at www.cao.ie from 2pm on Wednesday August 28th. By the same date, applicants who have not received an offer in Round One, or an earlier round, will be sent a Statement of Application email. This provides applicants with instructions for checking that the CAO has all of the applicant's relevant data on file.

Applicants may receive more than one offer but only one acceptance may be recorded in each round, i.e. applicants may not hold two places at once and so must choose which offer to accept. If an applicant attempts to record two acceptances in the same round, CAO will record the latest acceptance received prior to the closing date on the offer notice as final.

Applicants should not delay submitting an acceptance. When an applicant accepts an application online they will receive an email. At any stage, applicants may check the status of their application online.

A video guide to the CAO Offer and Acceptance process is available to view here: <https://www.cao.ie/index.php?page=video&l=102134759>

CAO Available Places

The Available Places facility opens on 29 August at noon - more information can be found at www.cao.ie/ap

If HEIs have any new courses that open for application after the Change of Mind deadline, or if any places remain unfilled in particular courses after all offers have been made and the waiting lists of applicants meeting minimum entry requirements have been exhausted, such vacancies will be advertised.

If anyone requires assistance or has any questions please do not hesitate to make contact with the Guidance Department. Wishing all our students the very best as they embark on their next chapter.

Kind regards,

Ms. C. Egan - ce@naascbs.ie
