3rd Sept 2021

To all Leaving Certificate Students 2021:

On this special morning, following a very special year, we want you to know how much we support you and share with you the contrasting emotions of this day. Naturally, we trust that you are very pleased with your Leaving Certificate results and that your work over the past year has been well-rewarded.

I know that while most lads will be happy, some may be disappointed. In time, however, any sense of disappointment will wear away and life will continue to provide new opportunities. It is important to keep everything in context – and to look forward to what the future may hold.

Some of you may be finding it difficult to decide what to do next – and that is very natural; it is seldom in life that people have to make real decisions about career path etc and these kinds of decisions are seldom easy, even for adults. They also take time, so be careful not to panic or to make hasty decisions. As the day's pass, things will become clearer and many problems do actually sort themselves out with time.

Please note: -

1. As you know, the CAO/CAS offers will be out early next week.
2. Information regarding the Debs will be sent out to you in early September taking into account what advice is coming from the government etc.

On behalf of Mr Murphy, Ms Power, Mr Purcell, Year Head Ms Phibbs and all the staff, I wish you the very best in the future. As a past-pupil, you are most welcome to call to see any of us at any time. Special thanks for your co-operation and unfailing courtesy throughout the year.

With kind regards,

Ben Travers
