

# THOUSANDS PERISH FOR CLOTHES THAT YOU CHERISH

---

## *What is fast fashion?*

- Fast Fashion is inexpensive, cheap quality and easily replaceable clothing that moves quickly from the factories to the catwalk and retail.

## *What and Why we need to change?*

- One of the best things to do is re-use fashion items such as charity shops such as NCBI or websites such as Depop, Ebay and DoneDeal.
- We need to change because many factory workers that make your clothes pass away because of the conditions they are working in
