

Mock Interviews 2021

Dear Parent/Guardian

This year's Mock Interviews for our Sixth Year boys will take place over two nights on **Tuesday 12th and Wednesday 13th January** respectively. Interviews are scheduled to commence at **6.45pm** both evenings. Each interview will take about 15/20 minutes. Every student is requested to be in the school building **15 minutes** in advance of their interview time and to then leave the school building immediately on completion of their interview. A full interview timetable will be on display in the Assembly Area on reopening following the Christmas holidays. Each student should carefully note details of their own **interview date, time and room number**.

Neat dress is essential on the interview night – suit, shirt/trousers or full school uniform please.

In preparation for their interview each student should check their **Career Interview Area** which is now on display in the **Assembly Area**. Students should fully research this Career Area in advance of their interview. This includes being aware of Matriculation Requirements, Subject/Grade Requirements, Course Points and Course Content. A list of potential interview questions will also be made available to the boys.

Students should submit their CV as outlined in the guidelines provided on Google Classroom. All outstanding CV's should be emailed to me Ms Conneely, at mcy@naascbs.ie **no later than Tuesday 5th January at 4 p.m.**

Note: [Covid 19 protocols must be observed by all students during the Mock Interviews](#)

Kind Regards

Maura Conneely

Mock Interview Co-Ordinator
