

ANTI RACISM AWARENESS WEEK
STREET NAMES COMPETITION

This week the corridors of Naas CBS were each given a name or title. These names are part of Racism Awareness Week. Each of the street names celebrates a person, an organisation, an event in history or a movie that stands against racism. At Naas CBS we too promote diversity, understanding and the importance of dignity for all.

The correct answer to the following ten questions can be found around the school corridors on the street signs and accompanying information pages. Any student who answers all ten questions correctly will be entered into a prize draw on Friday. Entries must be returned to the box in Ms. Corcorans Office by Thursday at 2pm.
