## Q.4 Do you have any feedback that you would like to share with us?

Please see below a summary of the responses we received and actions the school will take to address these:

---

- **2<sup>nd</sup> Year students are working well remotely but 51% of students that completed the survey have acknowledged that it is hard to stay motivated.**

**Action: We understand how difficult it can be for students studying online all day. We have asked teachers of 1<sup>st</sup> & 2<sup>nd</sup> Year students to try complete work during class time to help reduce screen time in the evening. The half day before midterm was welcomed and we will continue to monitor this going forward. We encourage students (where possible) to keep their cameras on so that the live class can feel more interactive and students can see their classmates. Depending on the subject and nature of the class this is not always possible but where the teacher asks for cameras on please participate. Your S.P.H.E teachers are linking in with you too and leaving resources on google classroom so please avail of these. If you have any other worries please remember you have supports here in the school – Guidance Team, school counsellor Ms Johnson, Year Head Mr. Corcoran, Form Teachers and the Management Team.**

- **2<sup>nd</sup> Year students acknowledged that they were worried about the workload associated with CBA's.**

**Action: 2<sup>nd</sup> Year students have begun their CBA journey and CBA's will continue to take place remotely over the coming weeks. Teachers are guiding students through this process. A schedule of CBA's is available on our website under 'JCT' and any changes to this will be communicated via the app. Work for these CBA's will take place during class time but students may need to conduct additional research outside of class time too. Teachers are aware that CBA's are taking place and no other classwork for that subject will take place while the CBA is happening. Enjoy the CBA process and the new skills that you are learning in each CBA activity.**

- **'I hope you are doing good'**

**Action: Thank you for your lovely comments and feedback. We will share these with the teachers. Keep up the great work!**
