

## Fast Fashion Is Not Free Someone Somewhere Is Paying!

- The average wage of factory workers for Patagonia is \$2830 per month
- Over 85% of clothes that is thrown out in America ends up in a dump in a foreign country
- In Australia alone more than 500 million kilos of unwanted clothes are ended up in landfills.

### *What we can do :*

- Buy more from local and smaller shops rather than buying from companies who underpay large amounts of their workers

- As of March 2021 research has proved that the average wage of garment workers for Nike has decreased to \$147 per month.
- Garment factories in Bangladesh emit more than a plane flying around the world 9 times.
