

CAO

6th Year Students & Parents/Guardians

The 2023 CAO Application Facility is now open.

We encourage all 6th Year CAO applicants to start their Application now. This is a relatively simple process at this point - with the initial objective of getting your **CAO Application Number** and thus being 'in' the CAO system. Courses & Course Preferences can be added later, but before *February 1st 2023*; remember they can also be amended at no extra charge between May 5th - July 1st 2023.

- All information relating to the CAO Application and process is communicated to the 6th Years during their Career interview(s), via their G Classrooms and in special class *Workshops* this week, as well as during other times e.g. class visits, Assemblies. Students can also address their queries anytime by calling into *Ms Costello* or *Ms Egan* or by emailing them, see below.
