Higher Options

- **What is Higher Options?**

Higher Options is an annual three-day education expo for second level students that takes place in Dublin. The aim is to provide a forum where second level students are helped in making decisions about their studies by meeting directly with representatives from universities, colleges and education institutions from Ireland, the UK, Europe and beyond.

- **Exhibitors? (List will be provided to 6th Yrs once available...)**

There will be up to 170 (approx.) different stands representing Third Level Colleges, Universities, Organisations and Institutions across the Educational spectrum. International Colleges will also be represented. Representatives/Lecturers/ Department Staff from all the institutions will be on hand to answer student queries.

- **Talks/lectures? (List will be provided to 6th Yrs once available...)**

Talks and lectures take place throughout the three days of Higher Options. Speakers from a number of organisations and institutions offer advice and information about the applications processes to third-level education in Ireland, the UK and Europe. Planning your visit to Higher Options to include at least one of these sessions will help you to get the most out of the day.
