

## Steps Engineering Week 5th - 11th March 2022

STEPS Engineers Week  
5 - 11 March 2022

ENGINEERS IRELAND

STEPS ENGINEERS WEEK 2022  
SAT 5 - FRI 11 MARCH

Celebrate the exciting world of engineering this STEPS Engineers Week! Access free engineering classroom resources, tune into engineering shows and videos, or carry out your own activity.

Find out how you can get involved at  
[www.engineersireland.ie/schools](http://www.engineersireland.ie/schools)  
#STEPSEngineersWeek

Sponsored by

Department of Education  
ARUP

ESB  
intel  
TI17

See useful Links which students - of any age- may find interesting. Our **TY students** will be viewing the video (below) this week as well as exploring Engineering further via their Google Classrooms/classes.

The following Video shows the relationships between **Engineering and Sports**, for example: <https://youtu.be/KgXQACRGA34> (Local Gaa player featured!)

### **What is Engineering?**

<https://www.engineersireland.ie/Schools/Explore-Engineering/What-is-engineering>

### **What do Engineers do?**

<https://www.engineersireland.ie/Schools/Explore-Engineering/What-do-engineers-do>

### **Case Studies** - Interviews:
