

This year the Higher Options event (see description below) returns to the RDS in it's pre Covid format, but with some changes. Here in the CBS, our 6th Years will attend on **Thursday 22nd September**. All 6th Years are expected to attend.

As the scheduled Times are pared back by the organizers compared with past visits, it is essential that each 6th Year student utilizes his time there in an efficient and sensible manner in order to gain maximum benefit from the event.

The 20 euros cost for the event includes bus + event ticket (please do Not purchase Tickets online as this is already done) and must be paid by the latest this Monday September 19th, via the School App under 'Shop', then 'School Payments' , then ' Guidance and Well-being' fee.

The Guidance Team have already visited all 6th Year classes regarding the event, and more details including Lists of Exhibitors, Talks, Maps and other information is also being provided to students, as well as via their Google Classroom groups.

The buses will depart at **9 oc Sharp** on September 22nd.
